## SCHOOL HISTORY

The gymnasium portion of Oconto Middle School (OMS) was built in 1951 as part of Oconto High School. In 1990, the south portion of the school was torn down and the north portion of the school was built. It remained a K-8 school until 2000 when new elementary school was constructed. OMS was formed as a 5-8 grade building at that time.

*We are proud of how well our 70 year old building looks and has been maintained!*
