

Oconto Unified School District Parents and Guardians,

As we move through the last few weeks of school, it is very exciting to see all the end-of-the-year events that are taking place for our students. We are also looking forward to our upcoming Summer School Program. Our Summer School Program is sure to provide a fun and engaging learning environment that is safe for staff and students.

During summer school, face coverings will be recommended but are not required. However, our buses are considered public transportation. Therefore if your child will be riding the bus for Summer School, they will need to have a face covering. Please see the following web pages for more information.

<https://www.cdc.gov/coronavirus/2019-ncov/travelers/face-masks-public-transportation.html>

The district will continue to implement masks on school property for the remainder of this school year. At this time, no decisions have been made regarding the 2021-22 school year. We will continue to monitor COVID-19 changes, and a decision will be made and communicated with families later this summer.

Thank you for your continued support,

Emily Miller

Superintendent
