

**Oconto Unified School District
Title I Teacher/Parent/Student Involvement Compact
2019-2020**

Teacher/Guardian/Student

Oconto Elementary School is a Schoolwide Title I school. This means our school receives federal funding to support high quality instruction for students and staff to improve academic achievement for all students. Oconto Elementary School staff maintains high levels of parent communication and strives to build strong relationships between school and home. These relationships are critical to student success at our school.

We know that when students, parents, and teachers work toward the same goals everyone finds success. Therefore, we are asking for your help in reaching some important goals. Please read through and talk about these goals with your child. **Please sign and return this form to your child's teacher.**

Teacher Goals

- Act as positive role models and build safe learning environments for children
- Design and implement instruction that supports learning for each child
- Integrate Common Core aligned reading, writing and math
- Utilize technology to support high quality instruction in reading and math

We will continue to use the Phonological Awareness Literacy Screening (PALS), Fountas & Pinnell Benchmark assessments, Forward Exam, iReady and other classroom data to measure progress toward our goals and inform our practices to ensure continual improvement, along with pertinent data collected by teachers within the classroom.

Thank you for your continued involvement and support of learning in our school!
