

**Oconto Unified School District
Schoolwide Title 1 Compact
Oconto Middle School & Bayshore Community Academy
Teacher/Parent/Student**

Oconto Middle School is a Schoolwide Title I school. This means our school receives federal funding to support high quality instruction for all students and staff to improve academic achievement. The OMS and BCA staff maintain high levels of parent communication and strive to build strong relationships between school and home. These relationships are critical to student success in our schools.

We know that when students, parents, and teachers work toward the same goals everyone finds success. Therefore, we are asking for your help in reaching some important goals. Please read through and talk about these goals with your child. **Please sign and return this form.**

Teacher Goals

- Act as positive role models and build safe learning environments for children
- Design and implement instruction that supports learning for each child
- Integrate Common Core aligned reading, writing, and math
- Utilize technology to support high quality instruction in reading and math

We will use the Wisconsin Forward Exam and i-Ready to measure student progress toward our goals and inform our practices to ensure continual improvement, along with pertinent data collected by teachers within the classrooms.
